Animals sold by weight are subject to a 15% surcharge.

Please contact [arc@ozgene.com](mailto:arc@ozgene.com) for further information and quotations for the below services.

**Aged Animals**

Animals 11 weeks and over are classed as aged animals. C57BL/6J mice are available in stock up to two years of age. Other strains can be aged on request.

**Internal Institutional Breeding**

Pedigreed animals may be available.

**Custom Strains Maintenance Charges**

Ozgene ARC can maintain custom colonies and provide regular cohorts of animals as required.

**Embryo Rederivation of Rodents**

Rederivation of mice consists of a series of steps and is dependent on the strain reproductive characteristics and number of breeders supplied.

**Cryopreservation of Embryos**

The total cost varies with the strain, reproductive performance and number of embryos required. A comprehensive quote is provided when these details are known.

**Cryopreservation of Sperm**

A comprehensive quote can be provided on request.

**Exporting Animals**

Ozgene ARC can ship animals with Health Certificates to most countries. A comprehensive quote is provided on request.

**Importing Animals**

Ozgene ARC can source and import animals from within Australia or overseas. A comprehensive quote is provided on request.
